Hybrid events

CSIR ICC offers seamless end-to-end digital and hybrid event solutions to help you.

We can assist to deliver your event content to multiple venues or persons across the country, or the world, from a studio environment or live event broadcast from any of our purpose-built venues.

Accessible venue

The CSIR ICC is as accessible as it gets! Located in the junction of the major Gauteng highways and on the Gautrain route, the CSIR ICC is easy to access from any direction and only a train and bus ride from the airport (OR Tambo).

Partnerships

CSIR ICC has structured strong partnerships with accommodation venues in close proximity to the ICC and discounted rates are negotiated on behalf of clients.

An inclusive DCP rate

The standard DCP rate ensures that your delegates need nothing further to having a memorable event experience at CSIR ICC.

Health and safety

CSIR ICC has considered global best practices, national legislation as well as provincial and municipal engagement in as far as implementing COVID-19 prevention measures.

Spoiled for choice

With various venue options, the Centre's auditoriums, conference, breakaway and function rooms can accommodate small, medium size and large groups in accordance to permitted regulations.

Community Focus

The CSIR International Convention Centre has a programme in place to train people from previously disadvantaged communities in skills required for employment in the catering industry.

Collaboration

You can rest assured that booking your event at CSIR ICC benefits small business suppliers in and around Pretoria.
